

SUMMER NOTE SMASHERS

MOUNTAIN SOUND PIANO STUDIO

This program is designed to get students learning notes at a fast pace using timers, iPad and floor games, flashcards, buzzers and more!

- ♪ Drastically improve note naming
- ♪ Increase your sight-reading skills
- ♪ Be able to learn more music at a faster pace

Students will be given an amount of time to get through 200 notes. Their goal is to achieve that time by the end of the summer! The student will be timed at the end of each lesson and results will be posted. *Students have a chance to receive a \$20 Target gift card at our last lesson if they can reach their goal by the last lesson!*

We will also choose 1 bigger piece to work on throughout the summer while we are smashing notes and smashing PR's!!

Progress can be tracked online at
