

# ALASKA PIANO CAMP

JULY 13-17

## OVERVIEW

---

### Day to Day Overview

- Students rotate daily through four focused stations: technique, theory, coaching, and ensemble playing
- Each student receives guided coaching on their individual music in a small group setting
- Daily ensemble and duet work builds collaboration and listening skills
- Interactive theory and musicianship activities strengthen music reading, rhythm and understanding
- Students participate in daily performance opportunities during Mountain Sound Stage Hour

## HIGHLIGHTS

---

### The Camp Experience

Masterclasses with faculty

Mountain Sound Stage Hour, a relaxed, supportive daily performance experience

Workshops with guest pianists and other music professionals

Alaska Piano Camp performance for family and friends on Friday

## FACULTY
