I'm beyond excited to unveil a project I've been working on!

I have wanted to implement something like this for years. The Studio Lounge is an online space for both my students and parents to gain resources and stay up-to-date and informed about studio happenings.

Go to my studio website and check it out!

Music Money

There's BIG MONEY when students work hard! When they have accumulated enough music money they can buy trinkets from the bin!

I'm sending home a piece of paper with students that shows all the ways they can earn music money!

September Workshop

https://fons.app/@autumnlaemmrch/works_hops

We'll work on building scales and how to identify them by ear and on the staff. We'll play a fun game to wrap up everything we learned in the first part of our workshop!

Follow the link above for more info and an easy way to sign up!!

(NOT FOR BEGINNING STUDENTS)

ONE MINUTE NOTE CLUB

We kicked off the one minute note club this week and it's been a great success!

Best of luck to everyone this semester as they work hard to enter the club and get their name and picture on the bulletin board!
