

# THEORY BOOT CAMP

## Beginner B, Ages 8-11

Theory Boot Camp is a fun crash course for music theory! The kids in "Theory Boot Camp - Beginner B" will progress through 6 of the 12 lessons of the Beginner B book in the Ultimate Music Theory series. There is guaranteed laughter, silly songs to sing as we learn, and this will be a great way to kick off the summer!

Tuesday's and Thursday's at 10am between June 3-June 18 will be for a beginner in music theory, suitable for ages 8-11 with little to no experience playing an instrument or prior knowledge of music theory.

*This boot camp will engage all learning styles through a multi-sensory approach. The program helps students develop a deeper understanding of music theory while building self-confidence and creating a hands-on learning experience!*

## Learning music theory is the best way to learn music faster!

# THEORY BOOT CAMP

## Prep 1 Level - Ages 10-13

Theory Boot Camp is a fun crash course for music theory! The kids in "Theory Boot Camp – Prep 1" will progress through 6 of the 12 lessons of the Prep 1 book in the Ultimate Music Theory series. Why not kick off the summer with some like-minded peers, guaranteed laughter and some added silliness while we learn about music!

Tuesday's and Thursday's at 6pm between June 4–June 18, this level will be suitable for ages 10–13 with 0–24 months experience in music. This boot camp will progress a bit faster than Beginner B so best for older beginners with no experience playing an instrument or students that have been studying piano, voice or another instrument for up to around 2 years.

*This boot camp will engage all learning styles through a multi-sensory approach. The program helps students develop a deeper understanding of music theory while building self-confidence and creating a hands-on learning experience!*
